(MIMI slinks on, looking round timidly, to satisfy himself of FAFNIR'S death. As the same time ALBERIC advances from the other side out of his cleft, he watches MIMI, powers upon him and bars his way just as he turns towards the cavern.)

(SIEGFRIED'S looks and gestures indicate that he has taken in the sense of the bird's song. He perceives MIMI approaching and remains motionless, leaning on his sword, watching and self-contained, in his position on the knoll until the end of the following scene.)

Dritte Scene.

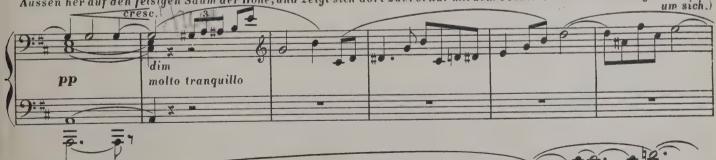

(The clouds which have become more and more soft have now resolved into a fine rosy tinted veil of mist and separate, rising upwards so as to reveal the blue sky of day, while on the summits of the now visible rocky heights (exactly the same scene as the 3rd Act of ,,The Valkyrie") remains a pink morning mist which also hovers over the valley at back like glimmering fire. — The arrangement of the stage is just the same as at the end of ,,The Valkyrie": in the foreground, under the wide-spreading fir tree lies BRYNHILDR in complete suit of armour, her helmet on her head and her long shield covering her, buried in sleep.)

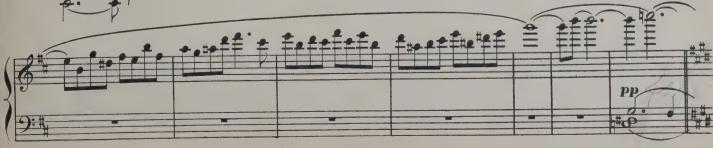

(Das immer zarter gewordene Gewölk hat sich in einen feinen Nebelschleier von rosiger Färbung aufgelöst, und zertheilt sich nun in der Weise, dass der Duft sich gänzlich nach oben verzieht, und endlich nur noch den heitren blauen Tageshimmel erblicken lässt, während am Saume der nun sichtbar werdenden Felsenhöhe (ganz die gleiche Scene wie im 3½ Acte der Walküre") ein morgenröthlicher Nebelschleier haften bleibt, welcher zugleich an die in der Tiefe noch lodernde Zauberlohe erinnert. Die Anordnung der Scene ist durchaus dieselbe wie am Schlusse der Walküre": im Vordergrunde, unter der breitästigen Tanne, liegt BRÜNNHILDE in vollständiger glänzender Panzerrüstung, mit dem Helm auf dem Haupte, den langen Schild über sich gedeckt, in tiefem Schlafe.)
